Caribbean Sailing Vacations

"Our family consists of myself, my wife Sara, daughters Emily (21) and Melody (18) and son John (12.) With different ages and interests it is sometimes hard to find the perfect vacation that will appeal to everyone.

Through a friend's reference, we contacted Captain Terry, who is an experienced sailing captain with a very impressive resume. Captain Terry listened to our requirements, made some suggestions and we reserved our week of family adventure. We agreed to charter a 44' Catamaran that has 4 ample cabins each with a private bath, a large galley, and plenty of deck room for dining, sunning and lounging. To involve everyone in the planning process we proceeded to compile our "to do" list and the excitement began to build. Passports were checked to make sure they were current, a new camera for Emily's birthday, shopping for bathing suits, new shorts, colorful flip flops. Our goal was that everyone would have one soft carry-on bag for mobility and easy storage on our sailing trip. Lastly we began to compile our grocery list. We decided that breakfasts and lunch would be casual and we would have dinners on shore. Groceries were selected on the internet from a local grocery store and then delivered to the boat prior to our arrival.

distance of your sail.

A sailing vacation gives you the freedom to create your own agenda around the sixty islands and cays that form the beautiful BVI.

Diving/Snorkeling

On a Caribbean sailing vacation one favorite activity when Sailing With Terry is enjoying the many spectacular diving and snorkeling destinations. The BVI is a underwater paradise with over 100 dive/snorkel sites for undersea exploration and offers azure clear waters, abundant sea life, stunning coral gardens, canyons, tunnels, caverns, grottos, and shipwrecks.

In customizing your sailing trip we can include as much diving and snorkeling as you wish. We can start the day off diving, snorkeling, we can have multiple stops during the day and we always end up at an anchorage where we can do more diving, snorkeling.

Sailing - Oh Yes

- On your sailing vacation we will do as much sailing as you want. It was a simple decision to choose to operate SailWithTerry in the

Finally after much anticipation, the day finally arrived for our departure. We arrived in the British Virgin Islands at the Tortola airport and were immediately amused by the goats grazing along the road side and chickens scurrying around. Warm balmy breezes, blue skies, views of the turquoise Caribbean and the proverbial rum punch greeted our arrival. "Welcome to the Islands, Mon".

A short cab ride to the Marina where Captain Terry greeted us with a big smile and welcomed us aboard for our Caribbean sailing adventure. Everyone excitedly chose their cabin and returned on deck for an umbrella drink and a safety briefing prior to dropping the lines and departing for our first destination. As we pulled out of the Marina and hoisted the sails under the guidance of our Captain, there were nervous smiles on everyone's face. Yes, this was going to be a great sailing adventure."

BVI the BVI is a sailor's paradise. The crystal clear waters, peaceful anchorages, constant trade winds and deserted coves provide the environment for a special sailing vacation. Winds generally blow at 10-25 knots, and are sometimes stronger in the winter months. Whether you are an accomplished sailor, or a land-lubber with no experience at all Captain Terry will help you to set sail on a sailing adventure you'll never forget.

Overview of the British Virgin Islands

Map of British Virgin Islands

The BVI has 50+ beautiful islands and cays so close to each other you are always in sight of land. The chain of islands shaped like a necklace (see map above) offers numerous safe coves and protected anchorages. This sailing paradise offers daily choices in the type and distance of your sail. The BVI just 60 miles east of Puerto Rico provides the best sailing in the Caribbean with the trade winds consistently blowing 10 to 20 knots.

The larger islands in the BVI are Tortola, Virgin Gorda, Anegada, Jost Van Dyke, Norman island, Peter Island and Cooper Island. We will be featuring the history and

Fishing - On your sailing trip Captain Terry will schedule rendezvous fishing trips as part of the customized sailing agenda. Anegada is one of my favorite islands for diving and snorkeling and is known for some of the finest shallow water and deep-sea fishing in the world. For those interested in fly-fishing, Anegada's waters offer a wide variety of game fish. Fishermen can spend hours in water eight inches to two feet deep casting into schools of silver bonefish.

uniqueness of each of these beautiful islands in future newsletters. Also, to be included in future newsletters will be articles on the best diving and snorkeling spots and of course the best places to eat and party.

One of the best parts of the BVI are some of the stunning sunsets seen from the bow of *Mañana Maybe* as she lays at anchor.

opportunities for walking deserted beaches and great hiking in the BVIs. Some of the National Parks boast rock outcrops and deep gully's that expose the rich earth of these volcanic islands. If something a bit more relaxed is what you have in mind then there are a number of small deserted islands resembling Botanic Gardens. They offer peaceful walks through tropical vegetation and pathways covered with colorful vines, as well as a miniature forest and beautiful vistas. Jost Van Dyke, Norman, Virgin Gorda - North Sound are a few of other islands that have a number of unspoiled trails and hills with breathtaking views and mind-blowing panoramas.

Kayaking & Relaxing- Each afternoon we enter a new cove for a peaceful anchorage, but your choice of activities continues. A popular late afternoon activity is to take some snorkeling gear jump in the kayak and go exploring. Another popular choice is to grab a noodle, and a beer then jump off the stern of *Mañana Maybe* it's time to relax.
