## Sailing Vacations - Questions, Concerns, Fears

How often have you thought of escaping your cluttered, chaotic life and setting off on a sail boat into the blue horizon?

Why not experience this adventure on a sail boat charter in the Virgin Islands? The Virgin Islands are known as the sailing capital of the world. Sunny weather, warm trade winds, and a chain of islands ready for you to explore. The best months to visit are from Nov 15 to June 31.

### Frequently asked questions, concerns and fears:

#### **Will we be sailing on open water?**

No! The Virgin Islands are comprised of a chain of over 60 islands and cays visible at any given time. You are never out of the site of land.

#### **What happens if a storm comes up?**

Tropical storms usually last for a short while, are mild with very little lightening. Your experienced Captain will guide you to a protected anchorage.

#### **Will I get seasick?**

Captain Terry has sailed these waters for many years and no one has been seriously sick. Precautions can be taken with bands and patches. If someone feels nauseous, a short dingy ride to land or a swim usually solves any issues. Some guest have had excellent results with [Homeopathic Remedies](#)

#### **What about the pirates on the seas?**

There are NO pirates in the Caribbean. Well, maybe a few "wannabe's" at the local beach bar.

#### **What size boat should I charter?**

When you hire Captain Terry he will advise you on the boat that fits your criteria. Perhaps a monohull with each cabin having its private head or maybe a catamaran that is much roomier than a traditional sail boat. Or you may want to charter a Mega Yacht.

#### **What about food? Drinking the water?**

You can have a crewed charter with a Chef and have all meals on board. Most charterers enjoy preparing some of the meals on board and then going ashore for dinner on the various islands and trying out the local ambience and cuisine.

When taking a Captain Only Charter groceries are ordered in advance via internet at the local grocery and delivered and stored prior to your arrival. Water is safe to drink

#### **What islands will we visit?**

Captain Terry will brief you on the different islands and safe anchorages according to your likes. Is your goal to find a different party each night? Are you looking for upscale dining or spas? Perhaps some hidden beaches and quiet anchorages where you can just jump from the boat and swim and snorkel.

#### **What about the language? Currency?**

The language is English, currency American, and the locals are friendly and entertaining.

#### **Will I be confined on a boat all the time?**

No. The snorkeling is world renown and there are numerous stops at great coral reefs with hundreds of colorful tropical fish. You can rendezvous with a dive boat and explore a sunken ship wreck. Perhaps you want to rent a paddle board or sail board and take a lesson for the day. A day of hiking on Virgin Gorda will show you breath taking panoramic views of the islands and the turquoise Caribbean. Or maybe a pamper day at one of the upscale European spas complete with a champagne lunch on the beach.

## **Overview of the British Virgin Islands**

Map of British Virgin Islands

The BVI has 50+ beautiful islands and cays so close to each other you are always in sight of land. The chain of islands shaped like a necklace (see map above) offers numerous safe coves and protected anchorages. This sailing paradise offers daily choices in the type and distance of your sail. The BVI just 60 miles east of Puerto Rico provides the best sailing in the Caribbean with the trade winds consistently blowing 10 to 20 knots.

The larger islands in the BVI are Tortola, Virgin Gorda, Anegada, Jost Van Dyke, Norman island, Peter Island and Cooper Island. We will be featuring the history and uniqueness of each of these beautiful islands in future newsletters. Also, to be included in future newsletters will be articles on the best diving and snorekeling spots and of course the best places to eat and party.

One of the best parts of the BVI are some of the stunning sunsets seen from the bow of *Mañana Maybe* as she lays at anchor.
